Overall Strategy

Capacity Building

We strengthen individual or organizational
capabilities - often with coaching, strategic
advice, training, consciousness shifts or services
that further enhance the work of the social
mission sector. Our work is determined to
empower people to be better and deliver a
higher quality impact.

Area of Focus

Primary Focus
Community Development

Secondary Focus
Human Services

Elevator Pitch

Through innovative social purpose approaches,
we lead and inspire change as well as develop
and manage philanthropic investment to
mobilize community support in meeting the
needs of not for profit charitable organizations
with a priority on mental health.
