

Our Strategic Priorities 2021-2026

Our Vision:
Innovative approaches supporting compassionate communities leading to better futures

New Path Foundation is committed to providing development in:

**Social Purpose
Real Estate**

**Social
Capacity**

Social Enterprise

Our Strategic Goals

expand locations

increase from the current three locations in Simcoe County. At least one of these will be located outside of the existing catchment area

add partners

increase the number of partnership agreements

extend services

to include new services such as administration, finance and accounting, fundraising and information technology services

increase fund development

increase annual fund development to support Foundation operations

increase revenue/USG

continue to increase annual revenue as well as percentage of revenues returned to clients through the USG

formalize common roof model

obtain support from the provincial government to replicate the common roof model in other parts of the province
