

A Home for Our Hard-Working *Pollinators*

BUY A BRICK ORDER FORM

Be part of our efforts to support the Home for Our Hardworking Pollinators project at the Barrie Common Roof (BCR).

Pollinators like bees and butterflies have co-evolved with specific grasses, shrubs and trees over millions of years. They need each other to survive. We want to help support our local pollinators and enable our community residents to have a garden space they can enjoy, while learning about the ecological benefits of this native garden space.

Please consider purchasing a personalized, commemorative plaque to honour a precious friend, in memory of a loved one, or beloved pet. Your plaque will become part of the permanent brick wall at our BCR location in the pollinator garden, filled with beautiful, native plants, for all to see as they enter the building. Your support helps us to continue to grow and maintain our native plant garden at the BCR.

Plaques are 7x2 inches, silver with black lettering. Maximum 120 letters in total.
For example:

Price: \$100 per brick plaque

Includes letters and number engraving, installation and HST.

Details: Tax receipts will be issued for the full amount of your gift.

Charitable number: 892507161RR0001

Cheques made payable to “New Path Foundation”

Print and mail or drop off this completed form with payment to the attention of:

Buy A Brick c/o James Thomson, President and CEO, The Common Roof, 165 Ferris Lane, Barrie, ON. L4M 2Y1
