Annual Tenant Report

2023

About Us

the common roof™ is a collaborative, community-based social enterprise where not-for-profits come together, in a common space, to best serve the over 10,000 clients they see collectively every year. We work with these partners and our supporters to build stronger, more resilient communities.

Innovative approaches.
Supporting compassionate communities.
Leading to better futures.

1-2 About the respondents

All partner and tenant staff were sent a tenant satisfaction survey to determine what is going well at the common roof™ locations and what could be improved.

3 How satisfied staff are

Staff working at the common roof™ locations were asked how satisfied they were with various aspects of their location.

4-5 What else we could do

Staff working at the common roof™ locations were asked what other services they might be interested in to support their work.

6-7 Quality of interactions

Tenants and partners were asked to gauge the quality of their interactions at the common roof™.

8 Let's connect

Please reach out if you have any questions about the common roof™ or about this annual tenant report.

Survey Respondants were asked:

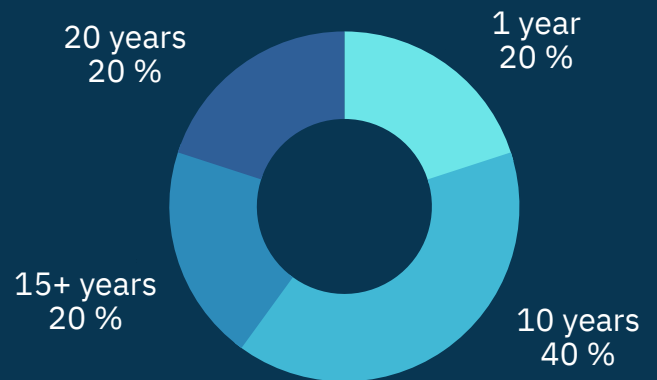

ABOUT THEIR ROLE AT THEIR ORGANIZATION

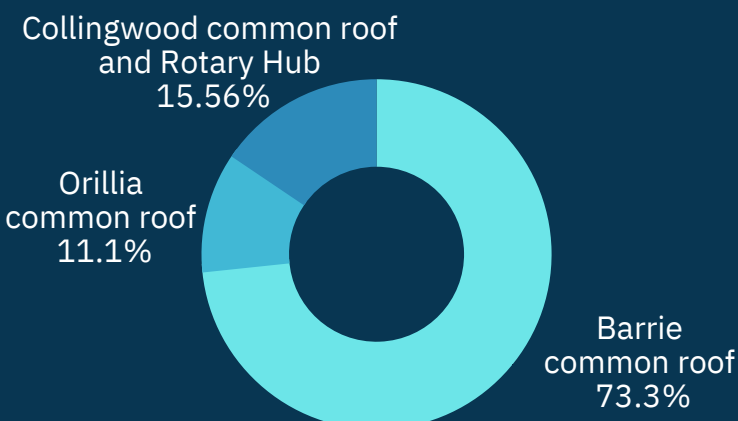

WHETHER THEIR ORGANIZATION IS A PARTNER OR TENANT AT THE COMMON ROOF™

HOW LONG THEIR ORGANIZATION HAS BEEN LOCATED AT THE COMMON ROOF™

TO SELECT THE COMMON ROOF™ LOCATION WHERE THEY PRIMARILY WORK

TO RATE THIS COMMON ROOF™ LOCATION

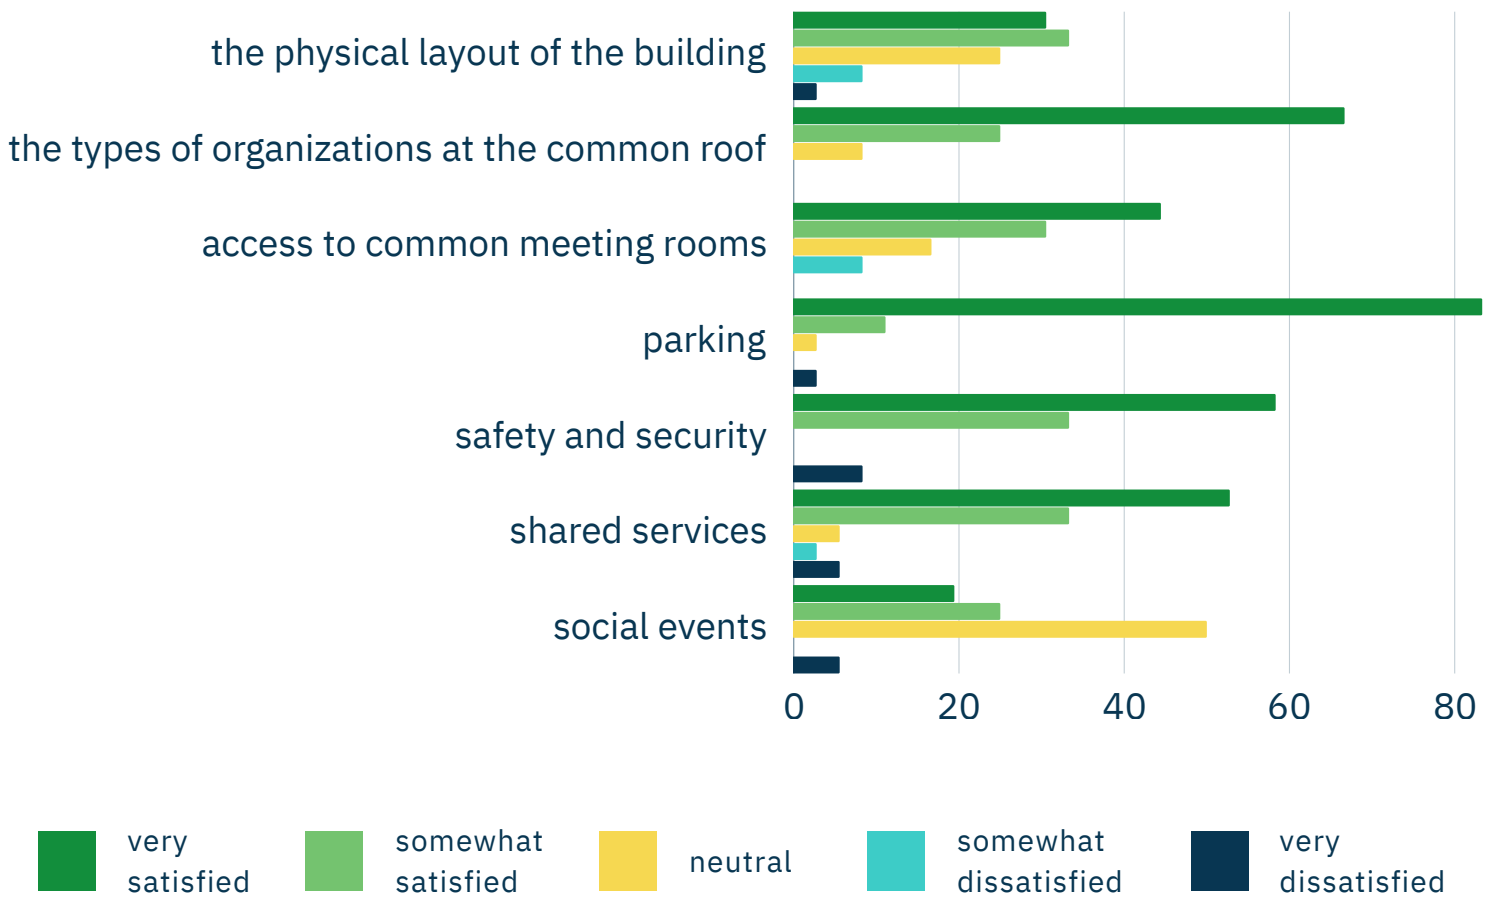

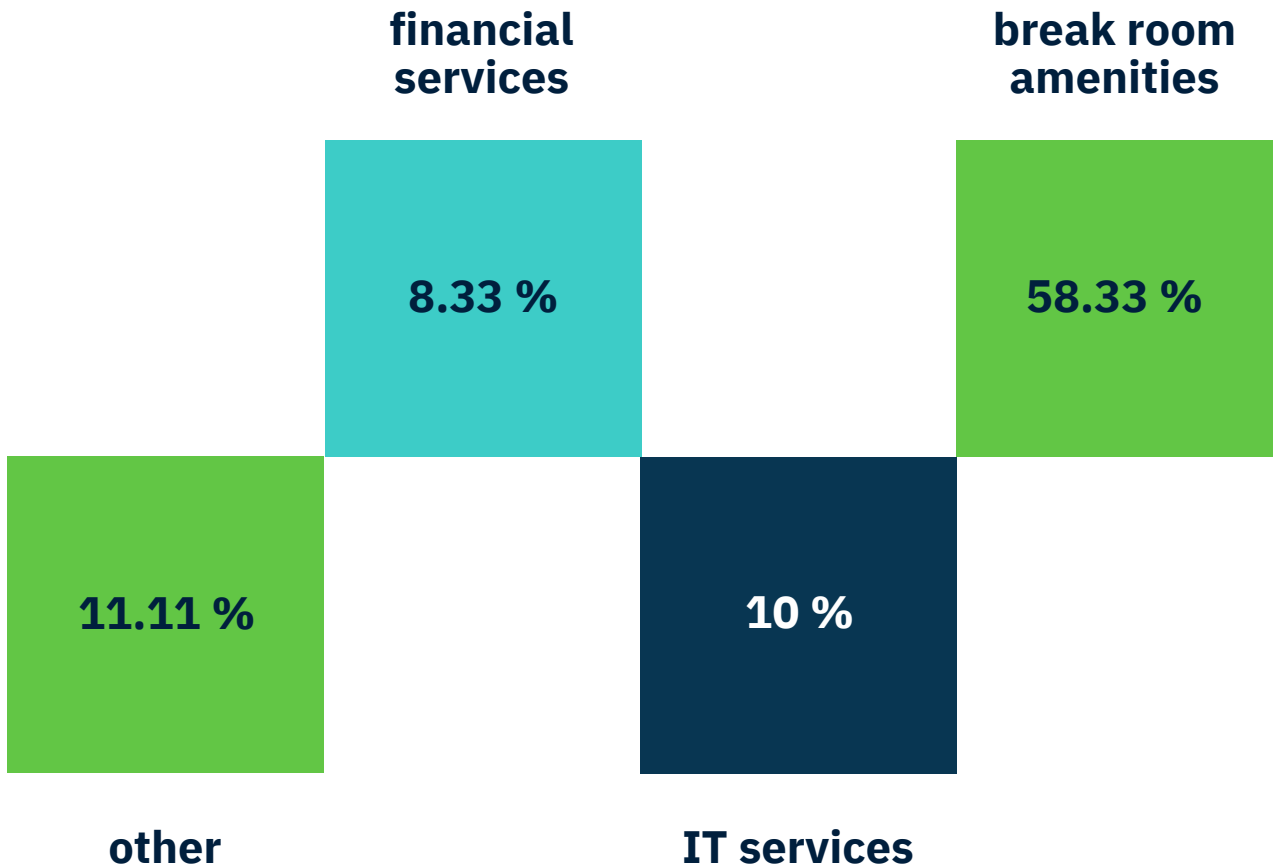

“

The building is great to work in, common areas are nice and well kept and the support staff are always willing to assist when needed.

Organizations at the common roof™ were asked how satisfied they were with:

Staff working at the common roof™ were asked what other services they **would like to explore:**

other (please specify)

- organization information sessions
- laundromat/clothing for clients who are marginalized
- vending machine with healthy choices
- more opportunities to connect

“

As a growing organization, the needs going forward may be different than our needs in the past.

We need to evaluate our space and ensure we are optimizing our usage while getting value for the cost.

Tenants and Partners were asked about their Interactions at **the common roof™:**

How often do you or your organization interact with common roof Partners/Tenants located next to you?

How often do you or your organization interact with common roof Partners/Tenants in the building?

How often do you or your organization interact with organizations outside of the common roof?

Tenants and Partners were asked
how they would rate the quality of interactions with:
